KM

Don't take this the wrong way, but one of these days, you gotta move past all that brother stuff, Jesse. It's like you ain't never left that one day.

JESSE

You're always talking shit about stuff you don't know 'bout, KM.

KM

I'm sorry. I just worry about you that's all.

JESSE

How's Rick?

KM

The regular. Mad as hell 'bout everything and everybody. You should come out drinkin' with us sometime.

JESSE

Since when have you ever seen me drink?

KM

Since never. That's why you should come, learn a new skill like relaxing.

JESSE

I doubt bein' around Rick would make me feel very relaxed.

KM

God Jesse! Every situation is not a grey cloud that's about to spill into a downpour! I like Rick. He's good in the sack and he makes me laugh and that's all I need to know.

JESSE

Was he makin' you laugh when he wouldn't let you go out in your backyard?

KM

He just misses me sometimes that's all.

SOUND OF THE CAR TURNING OFF.

JESSE

You can hear it or not hear it, but there's something off 'bout him.

SOUND OF A CAR DOOR OPENING

KM

You are a seriously shitty best friend, you know that? For what it's worth, I think you could get that manager position.

SOUND OF A CAR DOOR SLAMMING
