

KM exits towards the Bi-Lo. Jesse pulls up her sleeve, revealing an armful of small cuts. She takes out a box cutter and makes a small cut on her arm. Then, watches her arm bleed.

SOUND OF A CAR DOOR OPENING AND CLOSING as Rick gets into Jesse's car. Jesse quickly pulls her sleeve down.

JESSE

Get out of my car, Rick.

RICK

Which aisle is canned dog food?

JESSE

What?

RICK

Which aisle is for canned dog food?

JESSE

You don't even have a dog, Rick.

RICK

What about frozen foods?

JESSE

Frozen foods are in the frozen foods aisle.

RICK

Yeah, but what's the number?

JESSE

Just go inside the stupid store and find out for yourself.

RICK

What about duct tape? Where you suppose I'd find something like duct tape?

JESSE

If you're lookin' for KM, she's already inside the Bi-Lo.

START

Jesse exits her car.

RICK

(following Jesse)

You should come out drinking with me and KM on Friday night.

JESSE

Not gonna happen.

Rick blocks Jesse's path.

RICK

Way I see it, you owe it to me for yelling at me out in the backyard this morning.

JESSE

I don't owe you anything.

Rick makes a call as he talks to Jesse.

RICK

You're unpredictable. I like that.

Rick talks on the phone.

RICK (CONT'D)

KM, tell Jesse to come out drinking with us on Friday night. Tell her I'm gonna bring a friend for her and everything.

JESSE

That's a waste of your friend's time. 'Cause I'm definitely not coming.

Jesse goes to exit. Rick blocks her way.

RICK

(on phone)

Yeah, he's really into her. Evidently, he came into the Bi-Lo to buy duck tape once.

Jesse shoves Rick out of the way and exits.
